Instructions for completion

For more information about this grant, please see the Small Projects Health Research Grants Announcement document. Please submit an LOI to the BCPN by November 16, 2015.

Please submit this application as an email attachment to awards@bcpn.ca. Applicants will receive a confirmation email. **If you do not receive a confirmation email, please contact the BCPN to confirm receipt of your application.**

The deadline for submission is no later than 5:00 pm local time on December 15th, 2015.

I. Proposal

The proposal should include an Introduction, Research Plan, and Plan for Obtaining Further Funding. The Introduction and Plan for Obtaining Further Funding should be a maximum of one page each. The Research Plan should be a maximum of three pages including tables, graphs, figures, diagrams, charts and references. Inclusion of preliminary data is optional and limited to one additional page. Letters of collaboration are optional but may be included. The following format should be used: 8.5" x 11" paper, 1 inch margins, 11 pt. Arial or 12 pt. Times New Roman font, single-spaced.

II. Applicant information

Only individuals employed as members of the academic faculty at Canadian academic and non-commercial biomedical research institutions located in British Columbia may apply for a BCPN SPHRG as a principal applicant.

II & III. CVs

Please submit CVs of principal applicant and other senior/key personnel. The CVs must be in CIHR format.

IV. Budget

Individual grants are limited to an upper level of \$20,000. A justification of individual expenses must be included. Examples of eligible expenses include consumables, cost of instrument time, support of personnel. Grants may not be used for the purpose of funding capital or equipment, or repairs/maintenance.

Signatures

Signatures are not required for this application. Applications do not need to be submitted through the applicant's institution, but may be sent directly to the BCPN at awards@bcpn.ca as an email attachment.
